

Sheboygan County Conservation Association

Iowa County Private Land Youth / Mentor Spring Turkey Hunt

Application

Sheboygan County Conservation Association is privileged to have been given the opportunity by the Andrew & Linda Living Trust to take 3 youth hunters on a back county style Turkey Hunt. This hunt will take place in Iowa County Wisconsin April 13th & 14th 2024. The Sheboygan County Conservation Association will provide lodging @ the Deer Valley Lodge which is located approx 9 miles from our hunting location 401 West Industrial Dr. Barneveld WI 53507 (and includes a smaller indoor water park) Hunter, parent or guardian would be asked to be @ the above location early evening on the 12th whatever is suitable for them. Lodging would be provided for 2 nights and meals that are suitable for all. Mentors will have blinds set up prior to the 1st morning hunt that will fit 3 persons very comfortable

This trip is offered to Youth Hunters ages 12-15 (as of April 14th 2024). Hunters will need to be accompanied by a parent or guardian. A Mentor Hunter/Volunteer will be supplied by the SCCA to assist in all aspects of the hunt. On this hunt, we look forward to not only the harvest of a male turkey, but all the excitement of the spring turkey hunt provides being a vocal time of the year in the great outdoors. This opportunity is designed to create traditional Wisconsin Turkey Hunting experience for our next generation.

Hunters will need the required harvest turkey license which the SCCA will help you with. Deadline for applications will be February 21st 2024 with selection made on February 21st SCCA monthly meeting. Hunters that are selected, will be asked to attend a short get together prior to the hunt @ a local conservation club to sight in firearms and get to know each other. While Hunters safety is not required for a mentor hunt, we strongly recommend having it completed before this hunt and the SCCA would be happy to help set that up for you if needed.

Please return Application to the SCCA via mail, a board member, or any club delegate no later than February 21st 2024
